Elodea Free? Not Quite

Summer of 2024 was a great year for recreation on Devils Lake! We rely heavily on the hard work of the grass carp to keep Elodea minimal, now is the time to spray herbicides around your docks. Many residents have found the herbicide "Dibrox" to be incredibly helpful to decrease the growth of Elodea. This product can be found on Amazon and is easy to use.

Fireworks this year will be on Saturday, July 5th with the annual boat parade on July 4th, hosted by Devils Lake Neighborhood Association. Fundraising on May 25, 12-4pm. For more information or ways to donate, visit dlakeoregon.com
